

MAINTAINER FOR QUARTZ TOP

DESCRIPTION

A-SHINE PLUS is a new spray detergent that can be effectively used to thoroughly clean and polish the surfaces without leaving marks. This product has been developed for the daily cleaning of composite surfaces such as tops in quartz and similar.

HOW TO USE

Spray the product directly on the surface to clean, then spread it with a microfiber or FIBER QUARTZ cloth and clean until perfectly dry. This product is ideal also for cleaning stainless steel surfaces, for example washbasins, cooktops, hoods and taps.

WARNINGS

EUH210 Safety data sheet available on request

CHEMICAL AND PHYSICAL PROPERTIES

Appearance	liquid
Colour	transparent
Odour	mild
Specific gravity	1 g/ml
pH	7
Biodegradability	over 90%
Storage life	12 months if stored in its original, unopened containers at a temperature of between +10°C and +25°C

ATTENTION

Ingredients according to Regulation (EC) No. 648/2004: 5% or over but less than 15% non-ionic surfactants.

Chemical name / IUPAC name	INCI name	Ph. Eur name
water	water	water
2-Butoxyethanol; ethylene glycol monobutyl ether; EGBE	butoxyethanol	name not available
Copernicia cerifera wax	name not available	name not available

Do not dispose into the environment. As well as following good working practices, before applying the product we recommend you read the safety recommendations which can be found on our website www.federhomecare.it or can be requested from your local dealer, as well as the instructions on the packaging. Do not store at temperatures below 10°C. We decline all liability for work and damage that may arise from the improper or incorrect use of the product. All the information and recommendations about the product and its use are based on extensive laboratory testing and practical experience. However, since it is not possible to anticipate all conditions of use, these indications shall not be binding and do not imply liability on our part. The end user shall be held responsible for the use he/she makes of the product and for testing the characteristics of the product in advance. The reproduction, even partial, of our product sheets is forbidden. The data refer to the standards in force at the time of printing (2013). The company reserves the right to make any changes without notice.
